

## Only due to guests like you

...our house has become what it is today. You spread the name around the world and finally made it into that what it is today. And it is a very good name. A strong brand. Thanks to special attractions ...liebes Rot-Flüh can now be regarded as a celebrity, and we want it to stay this way. Our house has stood for excellent hospitality for generations and has been awarded several times. However, the best of awards could not mean us much to us as the satisfaction of our guests. We are counting on the satisfaction of our guests even more in future, and we therefore want to reward our guests for their fidelity. Not only with words, but with actions. For this reason, we have created the „...liebes Rot-Flüh Privilege Card“. This card guarantees excellent privileges and you and an accompanying person of your choice (parents also with their children up to 18 years) are eligible to enjoy exclusive offers and price advantages, as well as the. In general ...liebes Rot-Flüh Privilege Cards can only be acquired by regular guests. To start off however, this year we are also offering this opportunity to all of our other guests.
